

# DISCOVER WANAKA

## **Discover Wanaka - Sustainability Charter**

1. We are focussed on the long term and continue to invest in the company.
2. We have innovatively designed our product offering to enable year round products and employment opportunities.
3. Discover Wanaka actively engages with visitors and throughout the various products - educate visitors about NZ, history, geography and culture.
4. Staff are encouraged to engage in product research to further develop and improve products.
5. We commit to paying a fair wage to all staff
6. We offer development and training opportunities to all staff
7. Our company actively gives back to the community by serving on boards and being involved in environmental and socially beneficial projects for our community.
8. We donate to local good causes through providing product.
9. Our business and staff support local restoration initiatives [www.tekakano.org.nz](http://www.tekakano.org.nz)  
[www.uppercluthalakestrust.org](http://www.uppercluthalakestrust.org)
10. We have invested in new vehicles to lower carbon emissions. We will work towards continual improvement in this area as technology allows.
11. Discover Wanaka has waste reduction programmes in place.
12. We actively engage with clients about the environment and restoration programmes that they can assist with.
